Super: Real-Time Foreign Exchange Rates

VO: Now you can make Real Time Foreign Exchange transactions be it a foreign currency conversion or a fund transfer anytime and from anywhere. Get instant access to optimized real-time foreign currency rates 24 hours a day, every day.

Super: Optimized real-time foreign currency rates
- 24 hours
- 7 days

VO: To make a fund transfer, just follow these simple steps.

Super: Let's get started

VO/super:

1. Login to Personal Internet Banking
2. Select In-house / Worldwide Transfers
3. Launch Worldwide Transfer
4. There are only 4 easy steps to perform your Worldwide Transfers:-
 - i. Transfer Details
 - ii. Review Beneficiary
 - iii. Review Transfer
 - iv. Confirmation.
5. Fill in the mandatory beneficiary details & all of the relevant information. Please ensure all information is correct to ensure a successful transaction. Complete this step by generating a transaction code to continue securely.
6. Review the keyed-in beneficiary and beneficiary bank details.
7. After you have reviewed the beneficiary details, click refresh rate to get the latest real-time FX rates.
8. Review and confirm the transfer details, select 'Confirm' to complete the transaction.
9. You will receive a confirmation number for your transaction. This confirmation number shows your transaction was successful.
